Sire Legend									
	GK	Baldrige Goalkeeper							
	Qback	CSW011 Murdeduke Quarterback							
	Testament	Tehama Testament							
	T12	NGM 22T12 Booroomooka Paragon T12							
	R186	NGM R186 Booroomooka Keystone R186							
	*	Suitable for heifers							
All V Bulls vaccinated for tick fever - (Not W35)									
Sire verified and fertility tested. Fully vaccinated 7 in 1, Pestigard, Vibrio & 3 Day Sickness.									
It will be noted that some bulls in the videos have lost some hair, resulting from grazing on turnips 6 weeks ago. They have been removed and are now running on pasture and lucerne hay.
